The image shows a blue-bordered EU tire label. At the top left is an icon of a tire and a fuel pump. At the top right is an icon of a tire with rain. Below these are two vertical scales for fuel consumption and wet grip. The fuel consumption scale has arrows for A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (red-orange), and G (red). A black arrow points to 'C'. The wet grip scale has letters A through G. A black arrow points to 'C'. Below these is a noise level section with a white box containing a red 'x' and a black arrow pointing to '70 dB'. At the bottom left is the European Union flag and the text '1222/2009-C2'.
