The image shows a blue-bordered EU tire label. At the top left, there is an icon of a tire and a fuel pump. At the top right, there is an icon of a tire with rain falling on it. Below these icons are two vertical scales for energy efficiency and wet grip. The energy efficiency scale on the left has seven levels from A (green) to G (red), with a black arrow pointing to level C. The wet grip scale on the right has seven levels from A to G, with a black arrow pointing to level C. Below these scales is a box for noise level, which contains a red 'x' in a square and a black arrow pointing to '70 dB'. At the bottom left, there is the European Union flag and the text '1222/2009-C2'.
