104/102N

The image displays a standard EU energy label for tires, enclosed in a blue border. It is divided into three main sections:

- Top Left:** Fuel efficiency. An icon of a tire and a fuel pump is shown. A vertical scale on the left has seven levels (A to G) represented by colored arrows pointing right. A black arrow labeled 'C' points left from the 'C' level.
- Top Right:** Wet grip. An icon of a tire on a wet surface with rain is shown. A vertical scale on the left has seven levels (A to G) represented by black arrows pointing right. A black arrow labeled 'C' points left from the 'C' level.
- Bottom:** Noise level. A white box with a red 'x' in the top-left corner is shown. To its right, a black arrow labeled '70 dB' points left.

At the bottom left of the label, there is the European Union flag and the text "1222/2009-C2".
