

# SAVERO HT PLUS

265/65R17

112 T

The image displays the energy efficiency and noise labels for the SAVERO HT PLUS tire. It is enclosed in a blue border and contains three main sections:

- Top Left:** Fuel efficiency label. It features an icon of a tire and a fuel pump. A vertical scale on the left shows grades A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (red-orange), and G (red). A black arrow points to grade E.
- Top Right:** Wet grip label. It features an icon of a tire on a wet surface with rain. A vertical scale on the left shows grades A, B, C, D, E, F, and G. A black arrow points to grade E.
- Bottom:** Noise label. It features an icon of a tire and a speaker. A black arrow points to the value 72 dB.

At the bottom left of the label area, there is a small European Union flag icon followed by the text "1222/2009-C1".
